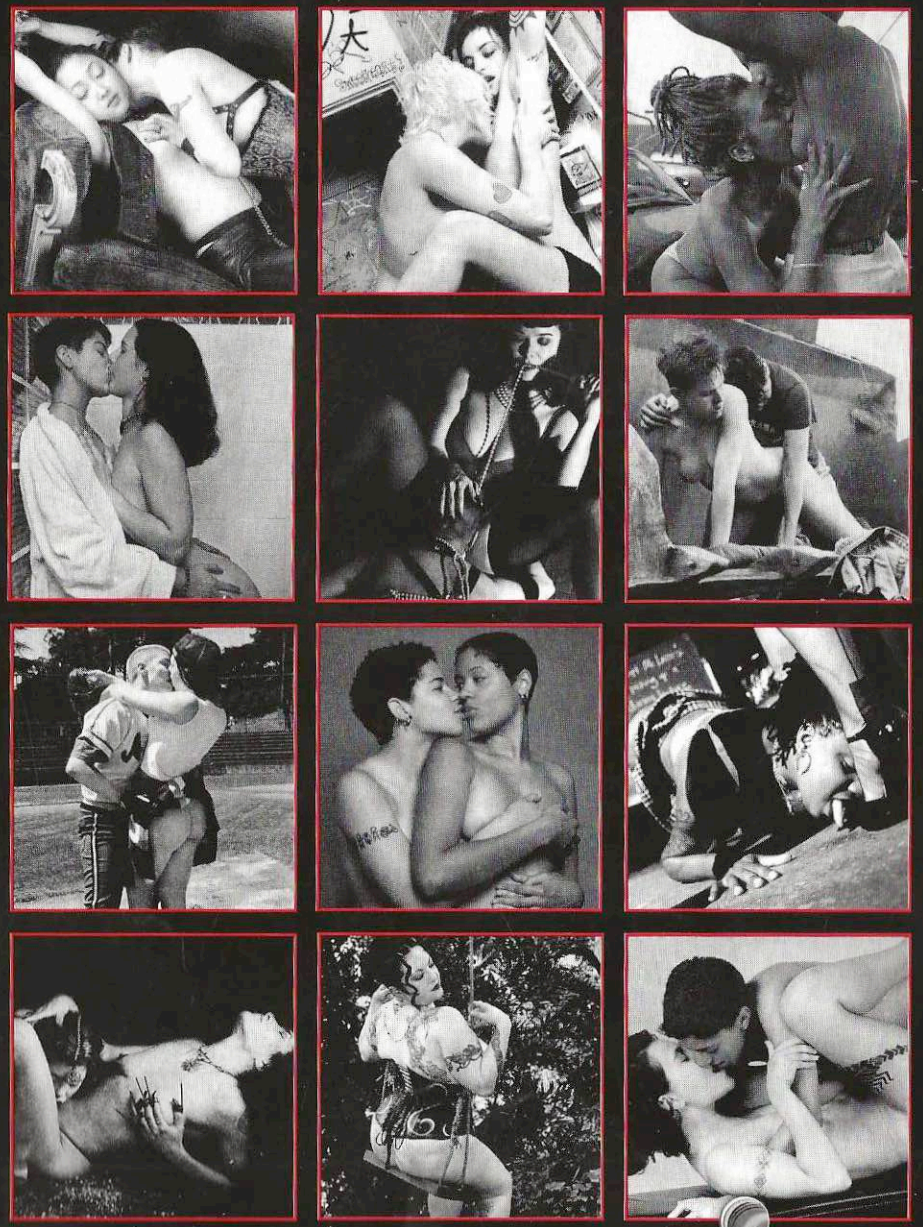
OnOurBacks

THE BEST OF LESBIAN SEX

2002 calendar



Since 1984, ***On Our Backs*** magazine has entertained, inspired–and sometimes infuriated–lesbians all over the world. Now the editors have gathered 12 steamy images from some of our most beautiful pictorials for the official ***On Our Backs*** calendar. Like the magazine, the ***On Our Backs 2002*** calendar is exciting, edgy, and designed for the libidinous lesbian.

On Our Backs' sister publication is the lesbian lifestyle magazine *Girlfriends*.
